Honorable Commissioner for Patents  
Box Patent  
Washington, D.C. 20231

Dear Sir:

On November 13, 2001, applicant/assignee mailed a response to the Notice to File Missing Parts of Nonprovisional Application dated July 11, 2001. Signing inventors/assignee petitioned under Rule 47 because inventor Jason R. Hall had not signed the declaration or assignment, and could not be reached by telephone. We have now received the signed declaration and assignment from him, and submit the declaration

herewith. The assignment is being submitted for recordation under separate cover. All of the inventors named in the application have now signed the inventors' declaration and power of attorney.

In view of Hall's execution of the declaration, the other inventors/assignee hereby withdraw their petition under Rule 47, and request that the application be examined on the merits.

Please charge deposit account 501285/DNL/CEL-97A for any additional fees required in connection herewith. Any refunds due petitioner can likewise be credited to said account.

Respectfully submitted,

Daniel N. Lundeen
